**1) Welcome and Charge**

Pierluigi opens the meeting, welcomes the participants and introduces today's agenda. Pierluigi emphasises that is the 100<sup>th</sup> meeting of ICFA – certainly an occasion to remember.

**2) Regional and Lab Reports****China**

Jun Cao presents the slides attached to the agenda.

**Japan and IDT**

Shoji Asai presents the slides attached to the agenda.

**CERN**

Fabiola Gianotti presents the slides attached to the agenda.

- Pierluigi asks about the EU "moonshots" and the potential funds allocation for them. Fabiola answers that the budget allocation for the moonshots is not generally known. Concerning Horizon Europe, the proposal for the next MFF, which is still to be approved by the EU Member States, is to increase the funding by a factor of 2, bringing it to 170 billion Euros. There is also a substantial funding proposed for FCC.

**Europe and ECFA**

Paris Sphicas presents the slides attached to the agenda.

- Stefan points out that some coordination between the different prize lines in ICFA, ECFA etc. needs to be provided.

**USA**

There is no presentation from the USA this time.

**Oceania, Australia and Asia beyond China, Japan and India**

Ulrik Egede presents the slides attached to the agenda.

- Thomas asks about news from ACFA-HEP, but according to Ulrik there are no news beyond what has been shown last time.

**Latin America**

Gustavo Gil da Silveira presents the slides attached to the agenda.

**Canada**

Richard Teuscher presents the slides attached to the agenda.

### **3) ICFA Seminar 2026 and ICFA Meetings in 2026**

Shoji is presenting the slides attached to the INDICO page.

Thomas adds that he will have a meeting with the chair of the LOC, Shohei Nishida, later this week in order to get involved in the local organisation.

**ACTION ITEM (THOMAS): LIAISE WITH LOC**

ICFA will have to appoint a programme committee and to fix the regional / country / lab quotas. Pierluigi and Thomas will have a first go in due time.

**ACTION ITEM (PIERLUIGI / THOMAS): IN COOPERATION WITH SHOJI AND TSUYOSHI WORK OUT A PROPOSAL.**

Concerning future ICFA meetings in 2026, Pierluigi suggests first the weeks of 13 or 20 April 2026 (remote) and a hybrid meeting during ICHEP in Brazil in July / August 2026.
